

CELTIC

Here is a partial analysis of the elements that comprise Celtic Sea Salt@. Celtic Sea Salt@ is created by nature and, therefore, the element composition and proportions are naturally-occurring. Nothing is added and nothing is removed. This analysis is conducted by a third-party laboratory that specializes in analyzing sea salts and ocean water. The analysis will not add up to 100% because of the pnoopp1 8BP%9M9(91a82%PP9PAMeM9(w2wTch[1 8P%94M9(9p91y8A%474MZ1 8BP%41g8BM2%))AM1 8B
