Can harmful energies in your home cause problems in your life, or is it the other way around? There *can* be outside forces, but for the most part, the energies of your home are reflections of you and your family.

Change your energies, and you can change your life.

Learn to use Spiritual Dowsing and Joey's Simple Blessing Process to do just that.

You will learn to find more Earth energies that are in all of our homes. You'll participate in an actual Remote Spiritual Housecleaning Session, dowsing and changing the energies in a location that could be anywhere in the world. You'll also do a remote EMF dowsing and balancing session through using Google Earth. (See reverse.)

### ***How You'll Benefit from Participating***

***From Joey: "It's difficult to explain what participants will learn and experience in my talks and workshops. The best I can convey is what you might call "Divine Magic." You have to personally experience it to understand. It's magic to be able to detect and experience these invisible energies, change (improve) them with blessing work, and then validate immediately that the energies have changed with dowsing. Real magic! Better yet is to see the beneficial changes in your life. This is especially evident to those who have an abundance of unbalanced energy within and around them before they learn to be aware of these energies and work with them. Their lives change remarkably for the better." Joey's work is not just about dowsing; it's about life!***

***After more than thirty years of passionate spiritual seeking, Joey finds that dowsing combined with prayer and blessing is the most powerful spiritual tool he has ever found to grow spiritually and take charge of your life.***

**The Tree of Life**

### **Get to the Source of Geopathic Stress**

Joey has found what he considers to be the human soul level of the Tree of Life in a pattern of energies around every human being, what he calls the Human Energy Pattern. Your negative reactions to the stresses and strains of life manifest as imbalances in your pattern. These imbalances reflect out as detrimental Earth energies throughout your home, in the same repeating patterns. The more intense the imbalances within you and your family are, the more detrimental energies will be in your home. Joey considers this to be the foundation of what many call "geopathic stress." You'll learn to find and balance all these energies quite easily and keep them balanced and beneficial with Joey's Simple Blessing Process.
